Vanessa's Challenge Question

Use the space below to write a few sentences answering this question.

When was a time that you felt sick? Explain what happened.

Sample answer: *Last week I woke up with a **headache**, so I took my **temperature** with a **thermometer**. I didn't **have a fever**, so I decided to go to work. But at work, I suddenly felt **nauseous**. I ran to the bathroom because I felt like I had **to throw up**. When my coworker saw me, she said that my face looked so pale and unhealthy so I should go home and rest. Thankfully, my boss agreed and I went home. Now I feel much better, but I guess I caught a short-term sickness.*
